

RaybDesign3dw - PRICING (last update: 03.30.18)

Notes:

1. Each space or project is unique and different. We want to give you the BEST and seamless 3D Virtual Tour. With that in mind, the pricing below is based from normal situation wherein the space is "set up" for 3D Virtual Photography. Normal "set up" means, the place is clean and orderly, preferably empty space devoid of people (recommended), devoid of pets, dogs (sorry), and has ample lighting, etc.
2. The pricing below will be used as basis for the intended lump sum proposal that will be submitted to you/your company. Any additional fees that will be added to the basic fees below will be described and itemized in the proposal for client's approval.
3. All prices are subject to change and could be updated without prior notice by RaybDesign3dw
